Parent Interviews. Last week we sent out reminders asking parents to nominate their preferred appointment times for Thursday's scheduled Parent Interviews. The forms for this are in the back of children's Course Records. Over the next two days appointment times will be confirmed. We are looking forward to meeting parents this Thursday 15 September. Please note that Secondary Students must attend interviews with their parents, while Primary children may not attend.

School Photos. Last week we sent home permission slips for individual photos – if they haven't been returned please get yours back to school today! Class and individual photos will be taken next Monday morning (19 September).

NiWA Auckland City Science and Technology Fair. The team of students representing Carey College will be exhibiting their projects at the Fair on Friday and Saturday. We wish them well, and pray they will be enabled to give a good account of their study of God's creation. Parents of these students have been contacted directly about arrangements to get them to and from judging on Friday, but all parents and pupils are welcome to visit the Fair and look at the projects at the

Mr Drake is Back. Mr Drake returned to teaching last week following his extended trip to the UK. In due course he will report on relevant issues to the school community, but many have already been asking about the August riots. Mr Drake's take on this can be found on his website (www.michaeldrake.name).

Helping Families with Healthy Activity. The YMCA, Heart Foundation, and Auckland City are promoting a series of family activities called **Move**. Details can be found on the next page, with the first event involving Skipping, gymnastics, Hip Hop, healthy food activities, a gift for every family and free snack from the BBQ at the Ellerslie YMCA on the evening of 20 September.

Term Break Begins 23 September. School closes at 2:00 pm Friday 23 September for the two-week term break. While for many this will be a holiday, Senior Secondary students begin their exams soon after Term 4 begins, and will need to use the two weeks for planned and serious exam preparation.
